

ANNUAL REPORT 2020-21

It gives me an immense pleasure and pride to present to you a report of our activities and achievements for the year 2020-21.

We achieve the holistic development of the human beings through an excellent academic and physical environment that is conducive to learning, developing creativity.

By the intercession of the Holy Family this academic year began with prayer, on the 1st June 2020. This year on the wake of pandemic we had hard times. We made it, we navigated online learning, spent more times with family, mastered zoom and google meet and still managed to plays port, be involved in performances and socialize with friends. Of course we could not have managed as well without the continued support from our parents and students for learning with us as we have to adapt to a different way learning with our students and having different process in place for our students to ensure their safety around the school.

STUDENTS ACHIEVEMENTS

Excellence in academic is the hall mark of good institution. Likewise the previous years, this year also our academic achievements have been good. The academic progress of Holy Family School was proved again with 100 percentage success in the class X and XII examinations. Our students have made us proud. The key highlights of class tenth and twelfth are
